

To help celebrate the launch of our new site we have 50 six month centre memberships, worth \$60, up for grabs!

The memberships will be awarded to the first 50 centres who login and update or add the details of their centre after the site goes live. (Sorry, no more than 2 within any one chain of centres)

The centres must meet all of the minimum entry requirements as detailed on our [membership page](#).

Member centres will appear at the top of searches and will be in bold - having a significantly raised profile over other centres.

Centres which then go on and meet the criteria for 5 Star Membership can display this prestigious badge on

their own websites too.
